DEDICATION . . .

to

Miss Alleen Wilson

Whose efficiency and loyalty, understanding and co-operation have been of immeasurable value to hundreds of McKendreans, this book is affectionately dedicated.

FOREWORD . . .

We, the staff of the 1935 McKendrean, offer this, our book, as a remembrance of the various scholastic, athletic, and social activities of the past school year.

The 1935 McKendrean has been realized only through a spirit of mutual endeavor extending beyond the efforts of the staff and including students, faculty, and Mr. F. A. Behymer in particular.

For those who will leave college life behind them, may this edition prove a pleasant reminder of the days spent on the Hill; for those who will return, may our effort serve as inspiration for future achievement.

OUR CAMPUS . . .

Standing on one of the highest points of the Lebanon hill is old McKendree College, its red brick buildings surrounded by trees, some of which were fully grown when the college was established here one hundred seven years ago. To him who is impressed with the majesty of trees and with the splendor that falls on old buildings, there is nothing more impressive than McKendree's eighty-year-old Chapel flanked by two giant white oaks that looked on when the building was constructed and which now reach out with their forty-foot branches as if trying to shield the sacred roof. From these branches the squirrels drop upon that roof which serves them as a playground and as a bridge in their journeys from one tree to another. At the door of Science Hall stands another giant oak, on guard, its three-foot trunk towering far above that three-story building.

There are eight of these venerable white oaks on the campus, not one of them less than two centuries old. These, with several of their offspring, many of which are already more than a hundred years old, give a majestic air to this wooded hill such as no other trees could provide.

Fifty-one species of trees, young and old, are flourishing on our campus, and every year is adding to this number as well as to the number of native shrubs and perennial plants. The Hill will be an arboretum of note some day if the sons and daughters of McKendree do not forget her.

McKendree has been taken out of the mud by walks constructed where paths used to run. A rock garden and three perennial flower beds adorn the one-time ugly slope north of Clark Hill. The parking lot has been taken from the front campus, and now, where dust and noise formerly mingled with the music from the Chapel studios, harmony reigns supreme. The old parking space will be reduced so as to afford only enough room for visitors' cars, while the ugly view from the front windows of Clark Hill will be changed to one of beauty.

Trees are being set in accordance with a plan on the back campus, and Lake Beautiful will some day deserve the name. Daffodils and wild flowers have been planted on the north shore of the lake, and the dam, once unsightly with weeds, is slowly but surely being covered with the almost-evergreen vines of the money-wort. Senior memorials, memorial seats, and bird-baths given by local clubs have added to the interest and convenience of the campus. Best of all, there is a growing interest in the worth and beauty of it all.

No college anywhere has a more unique or more beautiful campus than McKendree! May her children ever appreciate and cherish it.

DR. E. R. SPENCER.

Carnegie Hall, named after the donor, Andrew Carnegie, is the college home for men. This dormitory, one of the last buildings to be constructed on the Hill, is connected with Pearson's Hall by a glazed pergola.

The first building to be erected on McKendree's campus was a small wooden structure which was destroyed by fire in 1856. Since that time nine buildings have been erected. The Benson Wood Library was the last to be built and was completed in June, 1918.

Hypes Field, one of the finest athletic fields in the Little Nineteen Conference, was built through the generosity of Dr. Benjamin F. Hypes of St. Louis. Concrete bleachers line the western side and a splendid cinder track encircles the football field.

The Chapel, with its tall clock-tower spire is a famous landmark. This building houses the music studios, a literary society hall, and the auditorium.

The Science Hall and Old Main are three story buildings constructed in the colonial style and lend a dignified air to the Hill.

The Eisenmeyer Gymnasium, also named for the donor, seats one thousand people and is architecturally in harmony with other campus buildings.

STORY OF THE TREES . . .

O'er the meadows, through the wheatfields, comes a breath of summer breeze,
And it rustles through the branches of our old McKendree trees;
Let us listen for a moment to the story that it tells,
As it mingles with the music of the old McKendree bells.

Let it tell of virgin forests, sown in ages long before,
Ere the eye of the explorer ever rested on our shore;
How they waved above the builders of the mounds we see today,
Temples for their early worship, or to lay their dead away.

Let it tell of other races coming on to take their place,
Painted peoples of the prairies, bent on war or on the chase;
Tell of pioneer and settler, men of faith and hardy breed,
As they laid the bounds of cities and of culture sowed the seed.

Let it tell of Christian fathers, gathered piously in prayer,
As they patterned out the vision of a school and campus fair;
Tell of toiling and of labor, sacrifice of wealth and ease,
As they hewed a Hall of Learning from the old McKendree trees.

Tell a century of service, people gathered far and near,
To acclaim the happy record of our Centenary year;
Voices rising from the forest, lifted up in grateful prayer
For the living and the learning that our school had builded there.

So we still delight to linger 'neath the old McKendree trees,
As we listen to their story coming in upon the breeze,
And we vision for the future, happy ages drawing nigh,
As the tall and leafy branches tower upward to the sky.

OLD MAIN

PI KAPPA DELTA

Miss Wilson, Dr. Hayter, Huffman, Hertenstein, Meadows, Whitlock, D. Schmedake.

Pi Kappa Delta, which is represented here on our campus by the Illinois Theta chapter, is the largest national forensic fraternity in the country, having an active chapter roll of one hundred thirty-eight chapters in thirty-four states. "The stimulation of, progress in, and the promotion of the interests of intercollegiate oratory, debate and public speaking by encouraging a spirit of intercollegiate fellowship" are the chief aims of the organization. A badge of distinction, varied and graduated according to merit and achievement is conferred upon deserving candidates.

A National Council, elected by delegates of the local chapters at biennial national conventions, governs the organization. Each chapter is required to be represented in at least every other national convention. This year not being the year for the national convention, the Illinois Theta chapter, a member of the Missouri Province, sent representatives to the Province Convention held March 28, 29 and 30, on the campus of Cape Girardeau State Teachers' College. Paul Meadows and Carl C. Bracy competed in men's debate, while Arthur V. Huffman represented McKendree in oratory and extempore speaking.

Those eligible for membership included: Dr. Scherer, Miss Hohn (honorary), Carl C. Bracy, Kenneth Brown, Phebe Anderson, Florence Zahnow, John Oppitz.

On May 24th, the fraternity held its annual social affair, a banquet, at the Hotel Belleville.

OFFICERS

President—Paul Meadows
Vice President—Dorothy Schmedake
Secretary—Arthur V. Huffman
Corr. Secretary—Harold Whitlock

SIGMA ZETA

Back Row—Koch, Walton, Eaton, Prof. Schmidt.
Front Row—Gieseke, Fawkes, Dr. Stowell, Schmalenberger, Cralle, Knapp, Schubkegel, Dr. Scherer, C. Hertenstein.

Worthy achievement on the part of students in the fields of science and mathematics is recognized at McKendree by the Beta chapter of Sigma Zeta. This chapter, established on the campus in 1926, is one of eight similar organizations belonging to the national honorary science fraternity.

In April of this year a National Conclave of Sigma Zeta, held in conjunction with the Alpha Chapter at Shurtleff, was the outstanding event. Sessions were held both at Alton and Lebanon. In addition to this, Sigma Zeta sponsored a Freshman Essay Contest on scientific subjects, giving as prizes a silver cup and a book. Several evening meetings were held to which non-members were invited. Through these meetings Sigma Zeta has made a definite contribution to campus life by bringing in valuable speakers as well as by the showing of interesting films.

OFFICERS

Master Scientist—Harold W. Gieseke
Vice-Master Scientist—Clayton Fawkes
Secretary-Treasurer—Dr. C. J. Stowell

ALPHA PSI OMEGA

Dr. Harmon, Bennett, Hertenstein, Whitlock, Musgrove.
Miss Harper, Miss Wilson.
Sanders, Schmedake, Gilkson.

College students interested in dramatic work aspire to become members of Alpha Psi Omega, National honorary dramatic fraternity. At McKendree, the Alpha Theta Cast, established in 1927, gives recognition to all those who have shown outstanding ability in dramatic productions.

Eligibility is based on the point system. Since the success of a play often depends largely on its management, proper advertising and other like features, eligibility credit is also given the business manager as well as the actual participant in the play.

The national organization aids the local casts in securing reduced royalty on popular plays. "The Playbill," official publication of the national organization, provides information regarding problems of selecting and staging plays suitable for schools and colleges.

Arthur V. Huffman, Carl C. Bracy and James T. Moore became eligible and were initiated during the second semester. The initiation ceremony was followed by a Valentine party in Clio Hall.

The annual banquet was held in the College Inn of the Hotel Belleville on the sixteenth of May.

OFFICERS

President—Raymond B. Musgrove
Vice-President—Dorothy Schmedake
Secretary-Treasurer—Catherine Gilkison

PHILOSOPHIAN LITERARY SOCIETY

Top row—Brown, K.; Hohn, Walker, Gieseke, Lowry, Walton, Bennett, Harms, Beguelin, Pruett, Oppitz, Fawkes, Eaton, Bracy, Meadows.
Front row—Sanders, Schmedake, Heely, Prines, Hinkel, Koch, Lusk, Zeller.

A long period of achievement, extending almost as far back as McKendree itself, can be pointed to by the Philosophian Literary Society as it enters its ninety-ninth year of activity. Philo may well be proud of such a record and also of the Philos who have successfully gone out into the various professions.

Though old in years the Philosophian society is an organization with distinctly new ideas. Not content to rest solely on the achievement of past years it has continued to improve. "To encourage literary achievement and debate" still remains the purpose of the organization, but the members realize that only by living in the present and looking to the future can this aim be carried out.

The society meets in open session once each month and all those who are interested are invited. This was triennial year and the banquet was an important event.

PLATONIAN LITERARY SOCIETY

Top row—Baldridge, Suhrheinrich, Mignery, H. Brown.
Middle row—H. Hertenstein, Barnard, Wehmier, Bauer, Moore.
Front row—J. P. Sampson, Whitlock, Whittington, Huffman, Mewmaw, C. Hertenstein.

The burning of a note which marked the payment of an old debt of the society and the development of a championship Intramural League basketball team are two of the year's outstanding features of which the Platonian Literary Society is justly proud.

Established in 1849, Plato has long been recognized for its literary merit, and for the opportunity it affords young men for training in debate, extemporaneous speaking and the related fields. This year, however, with its success in athletics, Plato feels that a definite step forward has been taken. By the fostering of athletics, the society believes that it does not weaken but rather strengthens the original purpose of the founders and that the development of the whole man is necessary for outstanding success in any endeavor.

Joyful over success in a new field, the Platonians celebrated their victory with a dinner at the Bertram Hotel in Lebanon. Later, a banquet, followed by a theatre party, was held at the College Inn of Hotel Belleville.

New members initiated during the second semester are Herbert Oxendine, Amos Reed, and John Rauth.

CLIONIAN LITERARY SOCIETY

Top row—Knapp, Cralle, Jeanes, Wilson, Yost, Wilson, Smith, Reed.
Middle row—Gilkison, Bennett, Wolfe, Wattles, Clements, McClain, Barnhart.
Front row—E. Schmedake, Handel, Fraser, Russell, Keen, Pifer, D. Schmedake, Wahl, Sanders.

A few months after the admission of women to McKendree the Clionian Literary Society was founded in December of 1869. Of the twenty women listed in the college catalogue at that time, fifteen were charter members of the new society. To-day it still remains the only woman's organization of its kind upon the campus.

Since its organization, Clio has been carried on enthusiastically. Many a girl, who has later become a leader, received her training through participation in Clio programs. Meetings are held every week and interesting programs consisting of declamations, essays, assigned addresses, impromptus, and current events are delivered. Once a month an open session is conducted.

The truth of the saying of the society, "once a Clionian, always a Clionian" was demonstrated at the reunion held in the society hall during the forenoon of the last Homecoming day. This meeting was well attended and actives listened eagerly as old grads related their experiences while members of Clio.

The Clionian banquet and the exhibition program at the close of the school year are annual events.

ALPHA MU OMEGA

Back Row—J. T. Sampson, Dellinger, Goodman, Zirges, Browning, Schwartz, Bennett, Blackburn, Bernoff, Larsh, Dorko, Daniels, Beamon, Mourning, Rice.
Front Row—Lange, Nugent, Randle, Prof. Schmidt, Stroh, K. Wilson, Aufderheide, Presley, Herman, Manwaring.

Believing that one fraternity could not meet the demands of all the men on the campus, the Alpha Mu Omega fraternity was organized in 1924. Entering its second decade the organization has continued to further the best interests of its members, both fraternally and socially. The A. M. O.'s, as they are better known on the campus, are proud of their large active membership as well as of the program they have carried out.

Homecoming this year was made a little brighter with the sale of souvenirs by the fraternity and the hunger of many a football fan was allayed by the purchase of a bag of peanuts from an A. M. O. pledge. Plenty of laughs were also in store for those attending the fraternity minstrel show at the Alamo Theatre.

Three stag affairs were given during the year as well as two semi-formal parties at the Locust Hills Country Club. The New Hotel Jefferson in St. Louis was the scene of the annual banquet.

Professor Webster Schmidt is the faculty sponsor of the fraternity.

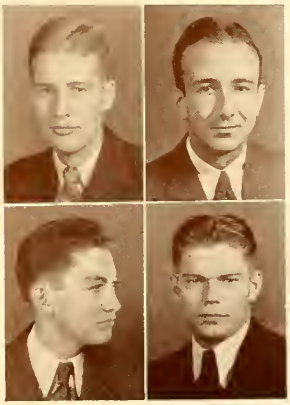
THE BACHELOR FRATERNITY

Standing—Crawford, Coles, J. P. Sampson, Huffman, Klamp, Gruchalla, Whittington, D. Wilson, J. Beers, Norris, Pfeffer.
Seated—Hartley, Dr. Hayter, Krizek, Rauth, Scott, Doolen, Sanders, Mauck, G. Beers, Musgrove, Whitson.

"The promotion of fraternal and social relationships among the men students on the hill" has been the aim of the Bachelor's fraternity ever since its founding in 1919. That it has been successful can readily be seen in the fact that the organization has grown and carried on until today it has an active membership of twenty-three. Dr. E. W. Hayter, head of the History Department, is sponsor of the group.



Scholarship on the part of its members has always been given special recognition. This year the Bachelor loving cup, presented in this connection, was received by Gustav Krizek of Belleville. Krizek's name will be engraved on the cup as well as being placed on the fraternity honor roll.

A wiener roast in the fall and a Christmas party at the Locust Hill Country Club were enjoyed by the members and guests while a dinner at the College Inn of Hotel Belleville, a strawberry festival and the annual banquet at the Hotel Statler in St. Louis on May 25, were the features of the spring social program.

Members initiated during the second semester include: James T. Moore, Kenneth Brown, Carl Koch and Wayne Bise.

PHI LAMBDA TAU

[illegible]—Ross[illegible], Satchell, Wahl, Gilkison, Zahnow, Dr. Steckman, Dintelman, Bennett, [illegible] Schmedake, Schmalenberger, McClain, Burge, Knapp.

Seven of the eleven charter members, together with their newly-chosen sponsor, Dr. Lillian L. Steckman, and the members initiated since the second semester of last year, proudly observed the first Founders' Day of the Phi Lambda Tau sorority on November 16, 1934. It was on that day one year ago, that the first of McKendree's sororities was officially recognized. Although the "oldest" sorority, it is still very young and this first year has been one of severe testing during which the members have striven earnestly to live up to the three-fold purpose of Phi Lambda Tau: high spiritual, scholastic and social standards.

The social calendar included a hayride; homecoming reunion; a Christmas party at the Locust Hills country club; rush-week activities which carried out the "Alice in Wonderland" theme; Old Home Town day the first week-end in April; and a spring banquet on May 18.

Members initiated by the sorority during the second semester were: Evelyn Schmedake, Helen Handel, Mary Etta Reed, Phyllis Barnhart, and Maxine Clements.

SIGMA BETA RHO

Left to right—Whitlock, Barnard, H. Brown, Lusk, Stevens, Dr. Walton, Morris, Mewmaw, Bracy, Meadows, D. Harmon, Mignery.

"Service, Brotherhood, Religion," is the motto of Sigma Beta Rho and nothing could better state the high purpose of the organization. Through it the group of ministerial students on the campus are brought together into a closer fellowship.

At the regular monthly meetings subjects relative to their profession are discussed by the members. The problems which confront the young minister are given special attention. In this way Sigma Beta Rho renders a definite service to her members and enables them to more effectively carry out her motto.

Dr. Walton has been sponsor of the group since its organization in 1931 and Rev. Todd has been an active member since its inception. Honorary members are Dr. Cameron Harmon and Rev. W. E. Bennett. New members initiated this year are: Lloyd Barnard, Carl C. Bracy, Lisle Mewmaw and Walter Pruett.

During the year Sigma Beta Rho conducted a special chapel service. The annual banquet was given this spring.

BETA ALPHA MU

[illegible]—Kroeckman, Mowe, Wattles, Miss Hohn, Shelton, Binder, Chapple, Bradford, Harrison.

Fraternal and social relations as well as scholarship, are also promoted among the women students on the hill by the Beta Alpha Mu sorority. Although the last of the sororities to organize it, like the other two, received official recognition in November of 1933. At present five of the charter members remain active.

Again, as in the year of its founding, the sorority has taken an active part in campus affairs. Social functions given by the Beta Alpha Mu sorority during the year have been numerous. These include a "Kaffee Klatsch" at the home of Mary Dieckman, a "Rush tea," a dinner and theater party at the Lincoln Hotel and Theater in Belleville, a treasure hunt and an annual banquet.

Miss Rosalind Hohn has been the group sponsor since the founding of the organization. One new member, Arline Stanton, was initiated during the second semester.

KAPPA THETA TAU

Left to right—Fincke, Mrs. Waldorf, M. Harmon, Brines, Hoover, Smith, E. Heer, Ahring, Fox.

November of 1934 marked the first anniversary of the founding of the Kappa Theta Tau sorority. The purpose of the organization as set forth by the nine charter members, two of whom are now in school, is "to promote scholarship, friendship and social activities among its members." One of the most important forward steps taken this year was the formation of an Alumni Association whose aim is to continue the purpose of the sorority after leaving school.

The fall activities included a tea at the home of Mrs. Cameron Harmon, a party at the home of Ruth Habig '34, in St. Louis, a wiener roast and a homecoming reunion dinner. Rush week in January featured a tea and parties at the homes of Mrs. Harold Pfeffer, Mrs. John Zinkgraf and Mrs. L. H. Pfeffer. A pledge party and the annual banquet were among the spring functions.

Mrs. Paul D. Waldorf was chosen sponsor of the group to succeed Mrs. Claude E. Vick. Members initiated by the sorority this past year are: Dorothy Fincke, first semester; Imogene Brines, Fern Fox and Elfrieda Heer, second semester.

Y. M. C. A.

Dr. Jen, C. Hertenstein, C. Walton, Dr. Scherer.
[illegible]sk, Fawkes, Sanders, Manwaring, W. Bennett, K. Wilson,

Like its sister organization, the Y. M. C. A. is an organization of long standing and of worthwhile merit on the hill. From the first day of school, the Y. M. attempts to smooth the way of new students and to help them make adjustments to a new and different life. Regular evening meetings look toward the care of the spiritual side. Because it is all-inclusive in character, the Y. M. is able to meet the various needs on the campus as they arise.

The Y. M. and Y. W. have always coöperated in college activities. Opening-week functions as well as a Hallowe'en party and several other parties throughout the year were sponsored jointly by the two organizations.

The annual handbook, the "Y's McKendrean," is the result of another coöperative project. This small edition, containing all sorts of essential information concerning McKendree College, is issued gratis to students and faculty at the beginning of the school year. It is especially helpful in acquainting newcomers with campus traditions as well as other types of information.

The national Y. M. C. A. also holds a student conference at Geneva. Plans are now being made by the college organization to send several representatives to the meeting this year.

Y. W. C. A.

Left to right—Keen, D. Schmedake, Cralle, Miss Wilson, Wahl, Miss Harper, Gilkison, Knapp, Pifer.

The Y. W. C. A., as it enters its thirty-seventh year, has proved definitely that it has a place to fill on McKendree's campus.

A "Big Sister," designated by the Y. W., is one of the first persons to greet the Freshman girl as she arrives on the hill and to introduce her to college life. This year a "balloonatic" party given in the reception room of Clark Hall was the first of the opening-week functions which have to do with making the new girl feel at home.

Nor does the Y. W. stop here, but brings together all the girls throughout the school year by weekly devotional and discussion meetings as well as through social affairs.

Neither is the organization purely local. It is a member of the Geneva Region of the Y. W. C. A. and this year sent six representatives to a Cabinet Training Conference held at Bradley University in February. The Y. W. C. A. will also be represented at the summer conference at Geneva. One of the objectives of this year's program has been the correlation of the interests of the off and on-campus girls. Two very enjoyable parties have borne witness to the success of the undertaking.

The Men's Glee Club comes in for an equal share of praise for providing music as a part of McKendree campus life. Miss Pauline Harper is also the director of this organization which has done so much to bring out the talents of its members.

Many a high school senior and the public in general has become "McKendree conscious" because of attending a program given by the club during its spring trip. This year the trip was made during May 8-12. Towns of the southern tour made up the itinerary.

The Men's Glee Club is also proud of the production of the "Marriage of Nannette" in which a number of its members had leading roles. The Men's and Women's Glee Clubs, continuing in their spirit of cooperation, presented a combined spring concert as well as assisted with the oratorio, "Hymn of Praise," by Mendelssohn, on the evening of June 2.

McKendree college life would not be complete without music—music for those who have the ability to participate actively and music for those who appreciate it. The Women's Glee Club, under the interested and active direction of Miss Pauline Harper, not only brings music to the college, but also provides an extra-curricular activity which does much toward the development of a well-rounded individual.

"The Marriage of Nannette," an opera by Curtis, produced on March 13 by the Women's and Men's Glee Clubs working together, was received with enthusiasm. It was the first production of its kind since the opera "Martha" two years ago.

Every year the club makes an annual concert trip, during which time programs are presented before various church audiences and high school groups. This year the trip, extending from May 1-5, took the club east, Litchfield, Oblong, Robinson, Lawrenceville, Mt. Carmel and Bridgeport being the towns visited.

The Women's Athletic Association has given to the women students of McKendree an excellent opportunity for participating in organized sports, thereby affording the proper kind of exercise which is so necessary to efficient college work. Recognition in the form of a purple and white "M" is given for continued activity in sports.

Since the founding of the W. A. A. in the spring of 1934, under the leadership of Miss Rosalind Hohn, the organization has carried on an active program. Last fall the association attended an annual Sports Day at Normal, Illinois, where, in competition with teams from other schools, McKendree's team won first place in volley ball. The W. A. A. has also successfully sponsored soccer, volley ball, basketball, baseball, and tennis tournaments as well as a track meet.

Girls who received their letter the first semester by earning the required five hundred points are: Ahring, Carson, Crow, Donaldson, Gilkison, Hamilton, Mowe, and Madonna Wilson. Membership in the W. A. A. is open to all undergraduate women after the candidates have participated actively in two sports.

Athletic ability receives its recognition and reward through the "M" club. Any man who has won his college letter in a major sport is eligible to be initiated into the organization.

The club enables the athletes of the school to join in a united effort to bring about a better type of sportsmanship in collegiate contests. Graduating seniors are also honored each year with trophies for each sport in which they have won a letter. Long after letters have become worn and sweaters frayed at the edges this emblem, the parting gift of the "M" club, remains a valuable treasure to the former letterman.

Row 1—Winterrowd, Donaldson, Anderson, Cralle, Miss Hohn, Pifer, St. Clair, Wolfe, Jack Neuhaus.

With the organization of the Little Theatre group last fall an excellent opportunity was afforded a larger number of students to take part in dramatic productions. The purpose of the organization is to "instigate and perpetuate the histrionic art on McKendree's campus." Membership in the organization is based on the passage of a dramatic test and also a majority vote of the members.

The Little Theatre is divided into four stock companies which take turns in presenting programs. Among the plays presented were "Joint Owners in Spain," "The Dying Wife," "Evening Dress Indispensable," "The Man in the Bowler Hat," "On Vengeance Height," "The Unseen," "Confessional" and "Courtship." The Homecoming plays, "The Green Emerald" and "The Doctor in Spite of Himself," were sponsored by the Little Theatre.

Special honor is given the worthy members of the organization by the conferring of various degrees. These degrees are three in number: Managing and Staging; Character Portrayal; and Play Production. Eligibility points for Alpha Psi Omega may be attained through participation in Little Theatre plays. "Thy Will," an original play by Willard Friderich, was presented at Cape Girardeau on May 11.

The French Club, under the direction of Miss Elsa Mae Tyndall, is one of the three organizations enjoying its first year on the campus.

French customs, songs, current literature and folk dances, as well as a closer acquaintance with spoken French language, are the things of primary interest to the club members. Consequently, special stress is given to these points in the program arrangement. In order that there may be greater variety in the programs each French class is given its own song and folk dance which is later presented at a regular club meeting. A "French Christmas Party" was the feature of the December program.

Membership is confined to those enrolled in the regular French courses. Meetings are held bi-monthly.

OUT-STATE CLUB

Top row—Miss Tyndall, Lingle, Huffman, J. Sampson, Holt, Lowry, Beamon, Opptz, Oxendine.
Front row—J. P. Sampson, Dr. Dolley, Bradford, Wahl, Binder, Lusk.

Although the greater part of the college enrollment is drawn from the states of Illinois and Missouri, still we find a number of other states represented on our campus. It was in recognition of this fact and in order that persons from these various sections might become acquainted that the Out-State Club was organized by Miss Elsa Mae Tyndall in the fall of 1934 with eighteen charter members.

The prevailing spirit of the organization is one of appreciation of the "other fellow" and a sharing in his interests and ideals. There is also a definite desire on the part of the members to learn from one another something of the customs, traditions and places of interest of each one's native section.

States represented in the club are Colorado, Virginia, Alabama, Indiana, North Carolina, Mississippi, Kentucky, Missouri and Georgia. Illinois and the city of Lebanon each have a representative.

Arthur V. Huffman was elected to the presidency of the club at the end of the first semester. The other officers served throughout the year.

"Campus Week," a new thing on the Hill, answers conclusively the question, "Why have a Nature Club on McKendree's campus"? This week of "campus consciousness," sponsored by the Nature Club, was really an intensification of the program the group has been working on all year. During this time the student body was made to appreciate more fully the natural beauty of our campus. Many improvements, such as the planting of trees and shrubs and the building of rock walks, have been accomplished through the Nature Club. Further ways of improvement have also been pointed out. In connection with the week's activity outside speakers brought interesting talks and a "Nature Exhibit" was held in the basement of the library.

A special study of the trees on the campus was made by the club this year as one of the means of acquainting its members with nature. Also, through the efforts of the Nature Club, Mr. Fain King, noted archeologist, was brought to the campus and delivered several interesting lectures.

Last fall, club members enjoyed a camping trip at Fountain Bluff in Southern Illinois. There are also regular bird hikes. On one of the field expeditions a maple tree was tapped and an explanation of the sugar making process was given.

PRESS CLUB

Campus news and student opinion finds expression in the McKendree Review published every Wednesday by the Press Club. The membership of the club is made up of the students of the Journalism class for whom the publication of the Review is a kind of laboratory in which they receive practical experience.

This year witnessed the revival of the "Campus Owl," time honored "scandal seeker," who had apparently lain dormant for the past two years. A new column, "Opinion Parade," which discusses pertinent problems of national as well as international importance is a valuable addition to the paper, provoking, as it does, a great deal of thought and comment.

In its editorial policy the Review has always stood for cooperation and the promotion of the best interests of the College. However, it is frank and candid in its criticism and offers numerous improvements. A special Homecoming edition of the Review added to the success of that event.

A "New Deal" was effected this year in the regular student chapel hour which is conducted by the Student Association. With the change from a short daily chapel to an hour period on Tuesdays and Thursdays the Student Association now holds its regular meeting and program on the last Thursday of each month.

Upon enrollment every student automatically becomes a member of the Association and is free to take part in its meetings and discussions. The programs this year have been very carefully worked out by a committee whose aim was to make this hour worthwhile.

Besides participation in the regular chapel programs the Student Association is active in supporting the various athletic teams and in fostering school loyalty. Much of the success of the Homecoming celebration was due to the efforts of the Student Association, working in cooperation with the faculty homecoming committee.

We, of the annual staff, have found real happiness in creating this year's McKendrean. To us the publication is a symbol of McKendree's natural beauty, her stern strength, her youthful spirit, the idealism of her sons and daughters, indeed, her very life. Give this symbol a mission if you will; let it eulogize the past; let it vision the roseate future. To us the McKendrean is McKendree.

The willing spirit with which the men and women on this year's staff have joined together in a common aim, has been an inspiration.

WOMEN'S QUARTET

Left to right—Gilkison, Smith, McClain, Hoover.

The two quartets, while singing on the Glee Club programs, are really organizations in themselves. They are able to appear on occasions where it would be impossible to use the entire clubs. In this way they are able to contact a larger number of persons.

This year the Men's Quartet, because of graduation of members, has been re-organized and the new group made its initial appearance on the Glee Club trip.

On the other hand, the Women's Quartet has been very active. Their engagements have included programs at the Trenton Baptist Church; D. A. R. tea at Belleville; Prospect Park Community House; Belleville Parent-Teacher meeting; the national Sigma Zeta conclave; and the annual McKendree luncheon held during the meeting of the Southern Illinois Teachers' Association.

DEBATE SQUAD . . .

That students are really vitally concerned with the social problems and economic trends of today was clearly shown by the keen interest in debate this year. The forensic season, which officially closed with the Missouri Province Convention, has been an unusually successful one on the hill. Largely because of the interest and careful coaching of Dr. Earl Wiley Hayter, McKendree has been represented by debate teams of which she may be justly proud.

The men's Pi Kappa Delta question for this year was: Resolved: "That the nations should agree to prevent the international shipment of arms and munitions." Cases were also prepared on the Socialized Medicine, the Democratic Collectivism and the Collective Bargaining questions.

A glance over the record for the season shows a total of seven favorable decisions as against three losses. McKendree lost decisions to Blackburn, Cape Girardeau and Asbury Colleges but emerged victorious from a single encounter with Shurtleff College and the dual debates with Southern Illinois State Normal University, St. Louis University and Blackburn College. Non-decision debates were held with Greenville, Carthage and the Principia Colleges.

Those who made up the debate squad this year were: Paul Meadows, Harold T. Whitlock and Arthur V. Huffman, four years experience; Clifford J. Hertenstein, three years; Emile F. Mignery, two years; and Carl C. Bracy, Kenneth Brown, Harold Hertenstein, Paul E. Stevens, John Oppitz, Phebe Anderson, Florence Zahnow and Walter Pruett, each with one year of experience.

FOOTBALL SUMMARY

The Purple started the season by giving the Scott Field Flyers a 36-0 trouncing, with Coach Waldorf using forty Bearcats in the struggle. The touchdowns were well divided, Captain Wilson leading his teammates with two, while Berendt, Daniels, Sampson and Aufderheide each carried the pigskin over the line for a six-pointer.

"Wilson, Aufderheide and Norris distinguished themselves in the backfield, while Rice, Larsh and 'Chief' Sampson stood out on the line."

—Belleville News-Democrat.

With perfect blocking in the first few minutes of play, the Purple eleven trampled over the Normal team like a steam roller. They gained at least three yards per try which resulted in a touchdown after four consecutive first downs. Norris gave a good exhibition that day and plunged the ball from the three-yard line over for the first touchdown. Wilson made the other touchdown and kicked the extra point.

Coach Waldorf, former Baker University star of Baldwin City, Kansas, has been with us for two seasons and has made a splendid showing in the Athletic Department. Great things are expected from him in his future career as a coach.

"Waldorf is not a big man as sizes go, but he has made the Lebanon school a mighty power in state college football circles."

—Pantagraph.

COACH WALDORF

Nineteen thirty five

McKENDREE vs. ROLLA

"Captain Ken Wilson, halfback, counted the second McKendree touchdown in the final quarter after Ervin Autderheide, the other halfback, had placed the ball in scoring position with a 27-yard run."

—Pantagraph.

"One of the outstanding individual performances of the season was made by Captain Ken Wilson, McKendree halfback, against Carbondale Teachers last Friday. Wilson made touchdown runs of 58 yards and 71 yards, and ran his total points to 19."

—Pantagraph.

"'Old McKendree is always a tough hombre to bring down on the gridiron."

—Pantagraph.

ASSISTANT COACH HARTLEY

Robert Hartley, a former hardwood star at Carbondale, assisted Coach Waldorf in football and track and was head coach in basketball. He was a great aid to Waldorf and produced a very flashy basketball quintet.

LETTERMEN . . .

KENNETH WILSON, *Captain*, Granite City.
Junior, Halfback.

Pantagraph First All-State; United Press First All-Star; Associated Press First All-Star; Honorable Mention in "Little All-America" Selection. "The man Washington has to stop is 'Tug' Wilson, a great open-field runner."—Conzelman, *Post-Dispatch*. "Spike" was the target at which all opposition was aimed. He displayed great ability on both ends of the Purple's aerial attack as well as gaining a wide reputation as an open-field runner.

LEROY RANDLE, Caseyville.
Sophomore, Halfback.

Randle's speedy ability to lug the leather gained him several quarters of play. Thus he earned his first letter. With this year's experience he should be a real threat for the Cat's next season.

LEROY RICE, Flora.
Sophomore, Guard, Center.

Guard, Honorable Mention Pantagraph All-State; Center, Honorable Mention Associated Press. "Duck" started the season at guard but was later switched to the snapper-back position, where he proved his worth. He fought to the finish, lettered for the second time, and still has two more years to slaughter the Purple's opposition.

WALLACE BLACKBURN, Edwardsville.
Sophomore, Tackle.

Tackle, Honorable Mention Associated Press. Big, brawny Blackburn proved too much for many an offtackle smash. "Wally" was among those men showing most improvement over last year's record. Watch out for this power-driver next season.

IRVIN AUFDERHEIDE, Granite City.
Sophomore, Halfback.

"Ike Wilson and Aufderheide, McKendree has two ball-carriers as good as any two Washington can show."—*Post-Dispatch*. "Aufie" was handicapped this year by an ankle injury but he still proved to the fans that he was one of the most elusive and headiest backfield men in the conference.

CLAUDE NORRIS, Poplar
Sophomore, Fullback

Claude Mack in ready at fullback position, starting in the Rolla and Normal games. At Rolla he recovered a fumble on the 40 yard line and raced 60 yards to a touchdown. Norris should work well in the backfield next year.

CHARLES "CHIEF" SIMPSON, Pembroke, N. C
Junior, Fullback

Honorable Mention Pantagraph All-State; Honorable Mention Associated Press. "Chief", the hard-hitting end for the Bearcats, messed up many a play of the opponents, not to speak of the opponents themselves. He played end on defense but was shifted to fullback on offense because of his supreme ability to smash the line as well as his excellent way of running interference. This was demonstrated at S. I. N. U. when he led Capt. Wilson for 60 and 70 yard runs for touchdowns.

VIRGIL MOURNING, Wood River.
Freshman, Tackle.

Mourning was not particular whether he went in at guard or tackle—just so he had a chance to mow them down. He was a very reliable reserve who should be a high bidder for a regular berth in the future.

JOHN RAUTH, Belleville.
Junior, Guard.

Besides being the all-round man of the squad, "Johnnie" proved his "gift of gab" when he talked the Rolla team out of a victory. He also shared honors in punting, averaging over 45 yards in the game at Macomb.

RAYMOND B. MUSGROVE, Salem.
Senior, Guard.

"Muskie" was capable of plugging up any hole left in the guard position. He is one of the trio to be graduated this year, but he has two service stripes to his credit.

Nineteen thirty five

LETTERMEN . . .

HOWARD LARSH, *Captain-Elect,* East St. Louis.
Junior, Guard.

Larsh was probably the hardest fighter on the team and earned the much-coveted "M" for the third time. He should be a great leader for the team this coming year for he never gives up nor lets his team-mates slacken.

PAUL MAUCK, Jeff.
Junior, End.

The blond viking played his consistent game all season as wingman, thereby earning his second letter. He still has one more year to participate.

RICHARD SCHWARTZ, Belleville.
Freshman, Center, End.

"Dick" was the final catch of the season. He worked first at center, but was later shifted to end on offense. Owing to his aggressiveness he was one of the best defensive men on the squad.

WILLIAM EATON, Edwardsville.
Junior, Tackle.

Bill had to overcome the hazard of an injured knee with a consequent loss of weight, but he was still rough and ready. He has lettered for two years with one more year to go.

ALBERT MANWARING, Chester.
Senior, End.

"Al", the fastest man on the team, came in very handy at the flank position. His fight and determination will be greatly missed next year, since he leaves us this spring by the sheep-skin route.

WILBUR ZIRGES, Worden.
Freshman, Quarterback.

Coach Waldorf found a fast, heavy, and capable backfield man in Zirges, who solved the problem of filling in the quarterback position. Zirges showed his speed and drive in the Normal game. Watch him next year.

DON WILSON, Oblong.
Freshman, Guard.

Don was the smallest lineman to letter, but he was always anxious to get into the game. Wilson had two ways of getting his man—actions and words.

ELDON BROWNING, Pleasant Hill.
Freshman, Tackle.

Although handicapped by lack of experience, Browning was always ready to step in and dish it out when the Purple's forward wall began to weaken.

DUDLEY KLAMP, Irvington.
Freshman, Tackle.

Klamp was the largest man on the squad, tipping the scales at 265. He starred in the Wesleyan game when he displayed his ability at checking hard-driving interference. Next year he should work off 20 pounds and really man-handle them.

OSWALD BERENDT, Granite City.
Freshman, End.

Berendt was Coach Waldorf's answer for a punter. The Washington game saw "Dutch" give the ball a ride of 80 yards in the rain. He had the size, scrap and knowledge of the position such as a good end should have.

CLIFFORD HERTENSTEIN, New Baden.
Senior, Center.

"Cliff" has been out for football for four years. He ends his career on the gridiron by graduation.

BASKET BALL SQUAD

Front row—Jaeckel, Daniels, Suhrheinrich, Krizek, Harms, J. Beers.
Back row—Bise, Manwaring, Stroh, Scott, Wilson, Norris.

BASKETBALL

Coach Hartley's men, winning four conference games out of nine starts and collecting thirteen decisions out of twenty-three tilts, proved to be one of the best hardwood fives for old McK. in several seasons.

They showed what a flashy, sharp-shooting quintet could do as they won their last seven games in fine style.

The addition of Bise, Welborn and Jordan, all over 6 feet two inches, gave the Bearcats a great deal of additional strength over last season.

With the return of all the present material a great team should develop for the coming year since only three of the fifteen letter-men will be lost by graduation.

The season's schedule included:

Dec. 7—Carlinville, here.
Dec. 8—Greenville Shells, here.
Dec. 13—St. Louis U., there.
Jan. 3—Illinois College, there.
Jan. 4—Carthage, there.
Jan. 5—Macomb, there.
Jan. 11—S. I. N. U., there.
Jan. 19—Charleston, here.
Jan. 26—S. I. N. U., here.
Feb. 2—Shurtleff, here.
Feb. 15—Charleston, there.
Feb. 16—Central Wesleyan, here.
Feb. 22—Shurtleff, there.

LETTERMEN

Top row—Wilson, Scott, Stroh, Bise, Daniels, Norris.
Bottom row—J. Beers, Jaeckel, Suhrheinrich, Krizek, Harms, Manwaring.

KENNETH SCOTT, Marissa.
Senior, Captain and Guard.
"Scotty" broke into the scoring column more than usual this season, still playing his good guarding game. This is his fourth year and, although rather small, he was a fine, dependable defensive man.

CLEVE STROH, Mt. Carmel.
Senior, Forward.
Although "Izzy" had a little tough luck hitting the basket early in the season, he regained his eye and was among the high scorers during the last part of the season, starring in the game at Charleston and collecting a total of 175 points for the season. Stroh will be lost this year by graduation.

ALBERT MANWARING, Chester.
Senior, Forward.
"Al" did not earn a regular berth on the quintet, but he saw plenty of action and played his position at forward up to a "T." Manwaring is another of the trio to be lost by graduation.

KENNETH WILSON, Granite City.
Junior, Captain-elect and Guard.
Wilson was shifted to guard this year, where he came through in fine shape. "Spike" was as tricky on the hard-wood as he was on the gridiron and developed an accurate eye for long shots, scoring eight points in the last six minutes of play at Charleston. He was second high scorer for the Purple, netting 206 points, 80 being in conference play, ranking him among the high scorers in the Little Nineteen.

CLAIR NORRIS, Pontiac.
Sophomore, Forward.
Norris' aggressiveness won for him his first letter on the Purple team. He should be quite an aid to the squad next year.

ROY JAECKEL, New Athens.
Freshman, Forward.
Jaeckel enlisted on the squad at mid-year and showed possibilities of a good forward.

RAYMOND HARMS, Bone Gap.
Freshman, Forward.
Harms played sort of "off and on" games at forward. He has plenty of size and with a little more experience should make an important cog in the Purple's machine.

RAYMOND DANIELS, Pleasant Hill.
Freshman, Guard.
The curly-haired guard from Pleasant Hill performed well on both defense and offense. With his speed and skill he should develop into a very good guard

RICHARD SUHRHEINRICH, New Baden.
Sophomore, Center.
"Dick" was the star guard in intra-mural basketball last year, but was advanced to the varsity this season. He seemed never to tire and kept up a terrific pace all the time he was in the game.

JOE CRAWFORD, Belknap.
Freshman, Guard.
Although handicapped in the early season by a bad knee, the "Hutsonville Flash" demonstrated his skill at ball-handling in the latter part of the season. Joe was a fast, tricky player as well as a great little passer and displayed spectacular shooting-ability at times.

GEORGE WELBORN, Centralia.
Freshman, Forward.
Welborn made it plenty hot for several teams this year and was the Purple's main point-getter. He compiled a total of 227 points, 95 of which were in conference tilts, placing him in eighth position in the Little Nineteen.

WAYNE BISE, Mound City.
Freshman, Forward.
When there was a scramble to get the ball off the back-board, Bise often came out with the sphere. His size gave the team greater strength in recovering rebounds, and he was good for at least five or six points per game.

ALVIN JORDAN, Dupo.
Freshman, Center.
Jordan joined ranks at mid-year and immediately became the first string center, where he proved to be more than a match for several teams. He also shared honors in dishing out a brilliant defeat to E. L. T. C.

GUSTAV KRIZEK, Belleville.
Sophomore, Guard.
Krizek was used by Coach Hartley to relieve his regular guards. "Gus" was a hard fighter and a good defensive man.

JAMES BEERS, Carrier Mills.
Freshman.
Beers developed from a freshman of unknown ability into one of the best reserve guards on the squad. He was a levelheaded player and had quite an eye for the basket.

TRACK SQUAD

Back row—Mowery, Herst, Manwaring, Norris, Daniels, Oxendine, C. Lowry, Mowmaw, Cope, Lee K.
Front row—J. P. Sampson, Walker, Sanders, Presley, Zeller, Bise, Rauth, Captain Carruthers, Stevens.

The track season opened with four lettermen reporting for the squad. They were Caruthers, Presley, Sanders, and J. P. Sampson.

The first meet outside the inter-class activities was held at Blackburn College on April 17 and resulted in a splendid victory for the local squad.

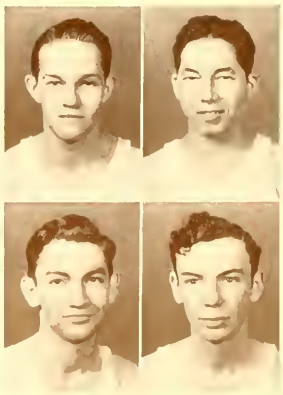
The outcome of the Quadrangular Meet held on Hypes Field on April 19 resulted in the following standing:

S. I. N. U., First.
Illinois College, Second.
McKendree, Third.
Shurtleff, Fourth.

Captain Carruthers won a silver medal in the St. Louis Relays, having placed second in the mile run.

The schedule for the thinly-clads for this season is:

Mar. 29—Interclass Meet.
Apr. 17—Blackburn, Carlinville.
Apr. 19—Quadrangular Meet: Shurtleff, Illinois College, Southern Teachers, here.
May 4—S. I. N. U., Carbondale.
May 11—Concordia, St. Louis.
May 15—Shurtleff, here.
May 18—E. I. T. C., Charleston.
May 25—State Meet, Macomb.



LETTERMEN

Almus Carruthers
John Paul Sampson
William D. Sanders
Herman Presley

INTRAMURAL . . .

Intramural athletics attracted quite a number of men in the fields of basketball, track, tennis and indoor baseball.

BASKETBALL

In Basketball—The Plato Literary Society won the six-team two-round race by nosing out the second position AMO fraternity team. Because of their team work and determination to win, the Platos were undefeated. The Bachelor fraternity team held the same position as last year, that of third. The Philo Literary team ranked fourth and the Rough Riders beat the Faculty for fifth place.

Hertenstein was high-point man during the race with 78 points to his credit. Sanders and Rauth were close on his heels with 76 each. The Review All-Star selection was composed of C. Hertenstein, Plato, and Sanders, Bachelors, forwards; Larsh, AMO, center; Harmon, Plato, and Wehmeier, Plato, guards. Simmons, Presley, Schwartz, Rauth, and Pruett composed the second five.

TRACK

In Track—The freshmen walked off with the laurels in the annual interclass field meet, scoring 53 points. The seniors were second with 43; sophomores third with 31; and the juniors last with 26. John P. Sampson, a sophomore, was high-point getter with 21 tallies to his credit. Sanders rated second with 15½ points; Manwaring and Presley tied for third, each claiming 14; while Daniels had 12. Other point getters included Hearst for the seniors; Rauth and Dorko for the juniors; Morris, Blackburn and Dillinger for the sophomores; and Pruett, Zeller, Cope, Jaeckal, Mewmaw, Oxendine, Zirges and Bise for the freshmen.

TENNIS, SOFT-BALL

As we go to press, a men's tennis tournament with 28 contestants is in progress. The soft-ball league will soon be organized.

McKENDREE COLLEGE

One hundred seven consecutive years of service. Offers courses leading to certification for high and grade school teaching; specializes in pre-medical, pre-legal, pre-engineering and other pre-courses; offers high grade instruction in voice, piano, organ and dramatics.

McKendree has an original twenty acre campus upon which nine buildings are located; owns an additional twenty acres adjoining, upon which is located a fine athletic field and field house.

One hundred fifty-seven of our recent graduates have entered the teaching field; sixty-one have gone to graduate schools for advanced degrees; forty-three have entered the ministry and through the years hundreds have entered these and various other fields.

Our faculty has pursued graduate work in twenty-one of the leading universities. Scholastically, it is the best equipped faculty of our entire history.

"Life's a great business. Not always a safe or comfortable business, but always great. And Life, in its greatness may be yours - - - if you have the courage to take it. But remember, for every step that you take ahead of the herd, you'll have to stand a beating from those who want to Play Safe and Stand Pat. So what? So if you can't take it, don't start. If you do start, thank God for the chance to keep going! You'll suffer plenty. You'll make mistakes. You'll fail yourself and others - - - and others will fail you. Be sensibly sorry, when necessary, and healthily angry. Then forget it! Don't let yourself linger over old grief, remorse, or resentment. You can't go forward if you keep looking back. Lot's wife tried it - - - with the inevitable result. She turned to a pillar of salt. So will you, if you try to mix your Yesterdays with your Tomorrows."
